## SPECIAL COMPUTER ONLY RECYCLING COLLECTION

Do you have an old computer, monitor, mouse or keyboard you'd like to get rid of? Bring it to our HHW Days to safely dispose of it! Tablets and cellphones will also be accepted, but please

**NO PRINTERS OR TVS.**

## IMPORTANT REMINDERS

### BATTERIES

Alkaline Batteries now fall below federal and state hazardous waste standards, and should be disposed of in your regular trash. Rechargeable batteries, found in cordless power tools, cellular and cordless phones, laptop computers, and remote control toys must still be recycled. Prior to bringing your batteries to HHWCollection, you will need to cap or tape each terminal end of every battery.

### LATEX PAINT

Latex paint manufactured after 1991 now falls below federal and state hazardous waste standards. It will not be accepted at HHW Days. Instead, let paint air dry, or use cat litter, sand or another absorbent, then dispose of in your regular trash (remove all lids).

### FLOURESCENT BULBS

To be accepted at HHW Days, you must place bulbs back in original packaging, in an air tight container or wrap the bulb in cellophane, newspaper, or duct tape.

### IMPORTANT

Please DO NOT bring helium, freon or oxygen tanks to HHW Days, only propane barbecue tanks are accepted.

## FREE TIRE AMNESTY EVENT AT HHW DAYS!

Hudson County residents are asked to bring no more than 4 tires for proper disposal. If you cannot participate in this year's Tire Amnesty Event, either store tires indoors (in a garage or shed) or cover them until they can be disposed of properly.\*

**\*Contact your municipal DPW for disposal locations and cost.**

This program is sponsored, in part, by a grant from the NJDEP-Division of Solid and Hazardous Waste. Residents can drop off materials at any site. Proof of residency may be required.
