Dear Mrs. Gaines:

Please find enclosed two (2) new renderings being added to our Exhibit list as A-12 and A-13. These are being submitted in response to comments raised during the June 24 virtual hearing for Harrison Yards. I have herein provided you with both full-size file copies as well as thirteen reduced size copies for your Board members. If I can send any paper copies directly to your attorney or professionals, I would be happy to do so.

Please note, that these exhibits are intended to be presented in testimony for the virtual meeting on July 8th. Thank you as always for your attention to this matter and feel free to call me directly with questions.

Sincerely,

MidAtlantic Engineering Partners, LLC
